

Hasbi Rabbi Jallallah  
Mafi Qalbi Ghair ullah  
Noor e Muhammad Sallallah  
La ilaha illallah

حَسْبِيَ رَبِّيَ جَلَّ اللَّهُ  
مَا فِي قَلْبِي غَيْرُ اللَّهِ  
نُورٌ مُحَمَّدٌ صَلَّى اللَّهُ  
لَا إِلَهَ إِلَّا اللَّهُ

Tere Sadqe main Aaqa  
Saare jahaa(n) ko deen mila  
Be-deeno(n) ne kalma parha  
La ilaha illallah

Simt e Nabi Bu-Jehal gaya  
Aaqa se usne ye kaha  
Gar ho Nabi batlaao zara  
Meri muthi mai hai kya

Aaqa ka farmaan hua  
Aur Fazl e Rahman hua  
Muthi se kankar bola  
La ilaha illallah

Dunya ke insaan sabhi  
Shirk o bid'at kartay thay  
Rab ke thay banday phir bhi  
But ki ibadat kartay thay

But khaney sab tharraye  
Mere Nabi hain jab aaye  
Kehnelagi makhlooq e khuda  
La ilaha illallah

Apni behen se bole Umar  
Ye to bata kya karti thi  
Mere aane se pehle  
Kya chupke chupke parhti thi

Behen ne jab Quran parha  
Sun ke kalaam e paak e khuda  
Dil ye umar ka bol utha  
La ilaha illallah

Wo jo Bilal e Habshihain  
Sarwar e dee(n) ka pyara hai  
Dunya kay har aashiq ki  
Aankho(n) ka wo taara hai

Zulm hue kitne un par  
Seenay pay rakha pathar

Phir bhi zubaa(n) pay jaaritha  
La ilaha illallah

Mere Nabi ke ghulamoo(n) ka  
Rutba bara hai shaan bari  
Chaahe Ghous e Azam ho(n)  
Ya ho(n) Data Hajveri

Yaad nahi tumhe wo manzar  
Khuwaja ne jab khud chalkar  
Nawwe (90) laakh ko parhwaya  
La ilaha illallah

Mere maula mere khuda  
Tu hi khaliq e arz o samaa  
Tu hi maalik e roz e jazaa  
Main hoo(n) saraapa jurm o khata

Phir bhi tujh se hai ye dua  
Waqt e naz'a jab aaye mera  
Lab pe bas ho aik sadaa  
La ilaha illallah
